

Job Listing: Groundman–Apprentice Line Worker–Journeyman Line Worker

Locations: Meade, KS & Coldwater, KS

Company: CMS Electric Cooperative, Inc.

Overview

CMS Electric Cooperative, serving Southwest to Central Kansas, is seeking qualified candidates for Groundman, Apprentice Line Worker, and Journeyman Line Worker positions at either our Meade, KS office or our District Office in Coldwater, KS. These roles play a vital part in the construction, maintenance, and operation of our electric distribution system.

Key Responsibilities

- Assist with and perform construction, maintenance, and repair of electric distribution lines
- Prepare job sites and handle materials, tools, and equipment
- Perform pole climbing, equipment operation, and other physical tasks
- Follow all safety protocols and support a safety-first work culture
- Participate in an on-call rotation for outage response
- Receive hands-on training with opportunities to advance through the apprenticeship program

You're a great fit if you:

- Are safety-focused and team-oriented
- Hold a valid CDL (or can obtain one)
- Have strong work ethic and willingness to learn
- Are interested in gaining experience in electrical utility work and building a long-term career

What We Offer

- Competitive pay with structured advancement toward Journeyman status
- Medical, Dental, and Vision insurance
- 401(k) with company match
- NRECA pension plan
- Paid holidays, vacation, and sick leave
- Career training and professional development opportunities

How to Apply
